I understand that if I am a minor, I will need a parent's consent and signature. The parent will also be required to sign a waiver stating that Upper Ohio Valley Presbytery is not responsible for any injuries sustained while on the trip and will have to provide proof of health insurance and a notarized form allowing the leaders of the trip to seek medical help for the minor if required. It is also understood that if the said minor does not act in accordance with the ideals and beliefs of the Church, the leadership will have the right to send the minor home at the parent's expense. A minor is any child between the ages of 16-21.
