- The Radical Revolutionary - (looks quite pointedly at behavior as proscribed in Jesus' "Sermon on the Mount")
- Making Your Own Gospel - (course presents an opportunity to learn from Mark how to make the good news relevant, as well as an opportunity to affirm your own faith and beliefs.)
- How Do We Create Community??? - (introduces youth to models of community, a number of which seek to express Christian Faith and values in and through the community.)
- Can I Be A Christian in a Consumer World??? (Making decisions relative to relationships and not relative to the dollar)
- Can We Change Our World? (course will help open the way for entering into a dialogue about social concerns and provide a model for addressing community issues in need of change)
- All the Difference in the World (helps youth see from a world perspective some of the problems and issues confronting them and to help them face their future with confidence and hope in God)
- Our Vocation: Reflecting God - (goal is that youth will see that being a follower of Christ gives purpose to life)
